Icon Of Sin

ICON OF SIN

(lyrics: Marcello · music: Francesco & AydrA)

Hate is pain,
love is anger,
deadly for ancestral mutual
rejection.
our lives orbit around suns
of rules and deception.

How can you say "killer whale"?
Do you really believe in tiger
ferocity?
I know human body is the only
evil and vengeance skin bag.

Men's faces are icons of sin,
mirror you are my icon of sin!
Now you know us,
you are just the same,
look in your eyes into the pool,
feel the hate burning your brain...
and now don't deny
what you mean.
Mirror you are my
icon of sin.

BETWEEN THE DEVIL AND THE DEEP BLUE SEA

(lyrics: Marcello · music: Francesco & AydrA)

Don't you be nervous
sit here with me,
would you like smoke
or something to drink?
Sit softly,
shades of confusion invade you
no self-expression
they give you the path for your
life!

Do you need money?
Do you want sex?
What about fortune and glory?
It's easy for me... I'm great!
Turn to my side now,
I can assuage your thirst,
a little corner inside me,
only come in... I'm nothing!

Make your choice! Make your
choice between the devil and the
deep blue sea, between the devil

NO ONE'S TALE

(lyrics: Mauro - music: Mauro & AydrA)

Come to me,
now live my dream
under the sky
there's another world...
Yes I believe,
but I'm No One
and No One knows
what's the reality.

It was only an illusion of my mind:
now I see
it was only a creation
of my old fantasies.

What's the reality and what's the
game No One's Tale.

Feel your soul
penetrate in my brain,
buried by my hate
there's another pain.
All return in myself,

because now
No One can live Forever!

REFLECT AND DESIST

(lyrics: Mauro - music: Mauro & AydrA)

I don't know what I want to do,
I'd take your hand and
walk in this place,
but my life is full of shit.
I can't decide my destiny,
I can only scream!

Son of a bitch:
reflect and desist.
You have taken my life: destroy it!
Reflect and desist.

I'm so tired, I can't see our way,
suicide is my dream,
but I'm a man not a coward
and I can't die for myself.
I'll run again and again
I want to be only with myself.
Fuck it all...
Fuck my life...
This is the only way to take!

PLEASURE DOME

(lyrics: Giovanni - music: Giovanni & AydrA)

Walking this empty place,
lonely look for your half,
not real when you thought so
women I mean so.

Tonight I run to fight,
almost I'll try!

Where we can start
our nice fucking night.

Wear your black clothes,
into the pleasure dome
they will show what you didn't
know...

what we mean for love.

She makes you in
and give you all.
She get your soul
and make it hers.

THE DAY OF THE WEDDING

(lyrics: Mauro - music: Francesco & AydrA)

Dark, gloomy castle,
desolate landscapes.
Territory of misery and my desire.

I made a pact with death
on the day of the wedding.
I killed my brother,
my pact was sealed with his
blood.

Fear is in the heart of my dreams,
when night falls she clothes the
world.

Nightmares sleep in myself.

I made a pact with death
on the day of the wedding.
I killed my brother,
my pact was sealed with his
blood.

Pain and blood are what I need,

XAVIER'S DREAM

(lyrics: Giovanni - music: Mauro & AydrA)

There's another way son,
there's another path... Believe
Believe... Believe...
The world is large enough.

We want to ensure the horror
never comes to pass again.
Tell me... Tell me
are you so strong to live this
dream?

Look at your bent in the mirror,
look what you want in yourself.
Live now this dream:
Xavier's dream.

LOST TIME FURY

(lyrics: Mauro - music: Francesco & AydrA)

Alone, I'm alone,
trapped in a corner and at the
same time
close in a point. Roots of my
nature,
ever and ever the hate burns
inside me!
The only source of my existence.

I need a moment, only a moment.
Desperation is destroying me.
I want to escape from me,
I want to refind my peace.
An only solution
divides my sensation
origin of a new world!
Only in a moment!

Man born from my anger
risen from the sand,
you will be what I detest more,
you will be living hate,
the hate coming from an infinite

time reign inside me
You! What are you doing?
Why can you feel love?
Do you remember?
You have to decay.
Did I have the happiness to be?
And I gave it to you,
stupid Man,
but everything will return inside
me...
I need a moment only a moment.
Desperation is destroying me.
I'd like to refind my
lost time fury!
I'd like to refind the love.
A only solution
origin of a new point,
only in a moment...

NIGHT DRIVE

(lyrics: Giovanni · music: Giovanni & Aydra)

I drive down the street,

tape's on pumping my mind...
night out and into my car,
the way home is always too short.
My world now is here,
night out and deep into my soul,
turn left, right is my house...
the road flows under my tires.
I cross out in the dark,
endless road no more lines
on the ground to be slaved by.
I drive down the street,

night out and into my car.
Endless road, no more lines
on the ground to be slaved by.
Nightdrive on I feel
in touch with the world around,
never ending road
will ease the dark inside...
Burn!

tape's on pumping my mind...
